We anticipate this will take between 40 and 65 hours work at £296 (plus VAT*) per hour for the Head of the Department, or £275 (plus VAT*) per hour, £260 (plus VAT*) per hour or £230 (plus VAT*) per hour for one of our lawyers, depending upon the hourly charge rate of the lawyer having conduct of your file. Our total costs are estimated to be between £8,200 to £15,795 plus VAT* (at current VAT rates this is between £9,840 - £18,334 in total) and only applies to the administration of assets in the UK. If you wish us to carry out the work we will always tell you who will handle the work and what they will charge.

By virtue of Anti-Money Laundering Regulations and SRA Standards and Regulations, we are required to verify your identity and the integrity of the assets which may be the subject of your transaction. We will make a charge of £25 plus VAT for each person for whom such checks are required. This includes a direct cost to us for this service of £12 (plus VAT*) and a small charge to cover administration and advice. We will also charge £20 plus VAT to carry out further checks before paying funds to you to prevent a costly fraud which includes a direct cost to us of approximately £15 and a small charge to cover administration and advice. Please note that if you reside abroad then the charge will be higher and will be based on where you reside.

The exact cost will depend on the individual circumstances of the matter. For example, if there is one beneficiary and no property, costs will be at the lower end of the range. If there are multiple beneficiaries, a property and multiple bank accounts, costs will be at the higher end.

We will handle the full process for you. This quote is for estates where:

- There is a valid will.
- We are not required to register the death or arrange the funeral.
- There are no more than 10 bank or building society accounts.
- There are no more than 10 beneficiaries.
- There are no trusts arising under the Will or any associated trusts.
- There are no disputes between beneficiaries on division of assets. If disputes arise this is likely to lead to an increase in costs.
- There are no claims made against the estate by third parties such as a disappointed beneficiary, creditor or the Department for Work and Pensions.

Payments to third-parties also chargeable, but not included in the above fee:

- Probate application fee of £300
- Additional copies of the Grant of Probate fee £16 per copy.
- Bankruptcy-only Land Charges Department searches (£6 plus VAT per beneficiary). If there are one or more beneficiaries who live outside of the UK the fee will be higher and it will be based on where the beneficiary lives.
- £99.00 plus VAT* (£118.80 in total) to place a S27 Trustee Notice in the London Gazette - Protects against unexpected claims from unknown creditors. £134.90 plus VAT* (£161.88 in total) to place a S27 Trustee Notice in a Local Newspaper (this price is for the Wirral Globe, prices for other papers may vary) - this also helps to protect against unexpected claims.

We handle the payment of these fees on your behalf to ensure a smoother process.

How long will this take?

On average, estates that fall within this range are dealt with within 15 to 21 months (depending on the sale of any property). Typically, calculating and arranging payment of the inheritance tax liability and obtaining the Grant of Probate takes between six to eight months. within 12 weeks of them receiving the application. Collecting assets then follows, which can take between two to three months.

Once the assets have been collected we can then settle all outstanding liabilities; pay all pecuniary (cash) gifts; and arrange interim payments to the residuary beneficiaries. This typically takes between two to three months. Once all assets have been collected in, and any property sold we can then finalise matters with HM Revenue Customs, prepare Final Estate Accounts and wind up the estate. The final part usually takes between two to three months.
